THE MEN AND WOMEN

Who Enjoy the Choicest Products of the World's Commerce.

Knowledge of What Is Best More Important Than Wealth Without It.

It must be apparent to every one that qualities of the highest order are necessary to enable the best of the products of modern commerce to attain permanently to universal acceptance. However loudly heraided, they may not hope for world-wide preeminence uniess they meet with the general approval, not of individuals only, but of the many who have the happy faculty of selecting, enjoying and learning the real worth of the choicest products. Their commendation, consequently, becomes important to others, since to meet the requirements of the well informed of all countries the method of manufacture must be of the most perfect order and the combination the most excellent of its kind. The above is true not of food products only, but is especially applicable to medicinal agents and after nearly a quarter of a century of growth and general use the excellent remedy. Syrup of Figs, is everywhere accepted, throughout the world, as the best of family laxatives. Its quality is due not only to the excellence of the combination of the laxative and carminative principles of plants known to act most beneficially on the system and presented in the form of a pleasant and refreshing liquid, but also to the method of manufacture of the California Fig Syrup Co., which ensures that uniformity and purity essential in a remedy intended for family use. Ask any physician who is well informed and he will answer at once that it is an excellent laxative. If at all eminent in his profession and has made a special study of laxatives and their effects upon the system he will tell you that it is the best of family laxatives, because it is simple and wholesome and cleanses and to universal acceptance. However loudly heralded, they may not hope for world-wide tem he will tell you that it is the best of family laxatives, because it is simple and wholesome and cleanses and sweetens the system effectually, when a laxative is needed, without any unpleasant after-effects. Every well-informed druggist of reputable standing knows that Syrup of Figs is an excellent laxative and is glad to sell it, at the regular price of fifty cents per bottle, because it gives general satisfaction, but one should remember that in order to get the beneficial effects of Syrup of Figs it is necessary to buy the genuine, which is sold in original packages only; the name of the remedy—Syrup of Figs and also the full name of the Company—California Fig Syrup Co.
